June 2015

Maine Whoopie Pie Festival, June 27

We will be loading our van full of whoopie pies and heading to Dover-Foxcroft on Saturday, June 27 for the Maine Whoopie Pie Festival. At the festival we'll be offering 11 varieties of whoopie pies, some of which are new flavors. New flavors will only be available at the festival and on a monthly rotating basis in store. For more information on the festival, visit www.mainewhoopiepiefestival.com.

Please join us in congratulating Grant's Bakery's 2015 graduate! Ashley graduates from Lisbon High School on May 29.

June's whoopie pie of the month is Summertime Strawberry (strawberry cake with a sour lemon filling). Created by Wayne Hull in 2014's "Let's Make Whoopie" contest.
